Please complete a separate product description for each category of item that you intend to sell at the Market (page 2 of this form). The Market may have varying degrees of space available for individual categories; separate forms help determine which items may be accommodated.

In addition, please submit 1-2 actual samples of your work that are representative of EACH art/craft that you intend to sell in the Market. Jewelers may bring a 16"X20" display board or tray (with jewelry secured to it) and bring as many samples as will fit within that space. Please be sensitive to sample size due to the high volume of applicants and space constraints.

Photos of your booth (or an example of how you intend your booth to look) should also be submitted. Please REMOVE ALL IDENTIFYING tags to help preserve confidentiality. If you have any questions, call 360-647-2060.

Product Review Dates:

Craft samples must be delivered between 4:30-5:30pm on **Tuesday, February 7th**. Items will be available for pick-up between 7-7:30pm. Product Review will take place at 112 Ohio Street, Suite 105. No accommodation will be made for early or late pick-up/drop-off. BFM will not send confirmation or reminders of the jury. If you are unable to attend this Product Review, additional Product Reviews will be held April and August and products will be accepted based on space availability and existing market mix.

IMPORTANT: There is a non-refundable \$15 jury fee for each category of product being reviewed. DO NOT include these fees in with your Membership Fees. Membership fees will be refunded if your application is denied.

Bellingham Farmers Market Craft Product Review Form | 2012

Product Description:

Please complete a separate page for each category of item that you intend to sell in the market. For example, if you are submitting wood items and pottery items, please complete two separate forms. Then on each form, please list the specific items that are being reviewed (i.e. wood plates, wood shelve; pottery bowls, pottery sculpture).

Please carefully consider the information that you write and be sure to include all relevant details. Describe your art/craft, and the process and materials used to create your work. During the jury, in addition to seeing your work in person, the information written below will become all the information that the craft jurors will have about your product. Your descriptions are an important aid in helping to evaluate your work. If you need more room you may attach a separate piece of paper.

Describe your art/craft:

Describe the materials used to create your art/craft: If you are jurying Bath & Body products please include a list of all ingredients with this jury application.

Describe the process, including tools that you use to create your art/craft:

Returning Vendors Only: If you are jurying a new product, please explain how the new product fits within your existing product line.
