

Welcome to the Market | 2016

Saturday Market: The Depot Market Square is the permanent home of the Saturday Farmers Market located at 1100 Railroad Avenue in downtown Bellingham. Vending spaces may vary in size, such as 10ft x 10ft, 8ft x 6ft or 5ft x 10ft. Refer to the Stall Map for stall sizes and locations.

There are permanent coverings for many vendors, however, new vendors and vendors with low seniority will likely be required to move and to utilize canopies and tie-downs. Canopies must comply with BFM standards; equivalent to Easy Up, 10ft x 10ft WHITE. No exceptions will be made.

Product Review

Products (craft or food samples) for the Product Review Panel must be delivered Saturday, January 30, 2016, Creekside Building at 1701 Ellis St. between 9am-10am. Items will be available for pick up after the review between 12pm-12:30pm. You will not be able to stay on-site during the actual review. No accommodation will be made for early or late pick-up/drop-off. BFM will not send confirmation or reminders of the review. If you are unable to drop off your items for review at this Product Review Panel, you will not be eligible to vend in 2016. You may have a representative drop off your product. Additional Product Reviews may be held later in the season if space and market mix allow for additional product.

Please complete a separate product description (pages ___ of the application) for each category of item that you intend to sell at the Market (i.e. Bath & Beauty and Jewelry would require two Product Review forms and \$30).

In general, prepared food would only require one form and fee unless the vendor wishes to have food items considered separate from one another for acceptance (i.e. If a vendor wanted to sell ice cream and hot dogs in their booth and would be willing to sell only hot dogs if the category of ice cream was full).

In addition, please submit 1-2 actual samples of your work that are representative of EACH art/craft or food item that you intend to sell in the Market. Jewelers may bring a 16"X20" display board or tray (with jewelry secured to it) and bring as many samples as will fit within that space. Please be sensitive to sample size due to the high volume of applicants and space constraints.

Photos of your booth (or an example of how you intend your booth to look) should also be submitted.

Please REMOVE ALL IDENTIFYING tags to help preserve confidentiality. If you have any questions, call 360-647-2060.

- I have read and agree to comply with the Handbook and Bylaws (available at www.bellinghamfarmers.org). I agree to abide by the policies and procedures of the Bellingham Farmers Market outlined in these documents. I understand that the Board of Directors may revise these policies at any time and will alert me of these change via email.
